1. Work on construction of the Warsaw subway has ceased; workmen are to be paid off.
2. Stalowa Wola foundry, which comes under military authorities, has been turned over to peace-time production. It will manufacture axes, scythes, accumulator vans (sic), etc., the production of which has been accounted for in the 1954 Plan. The reason for the change-over is that weapons produced at Stalowa Wola were not found to be satisfactory.
